All down payments are renewed annually and are non- refundable after the first month of starting. This amount is taken off the overall tuition to arrive at your monthly fee.

All Snacks and Lunch are provided by school and included in the tuition fee.

All extended care is billed separately at the end of each month.

I will be registering my child (children) in one of the above programs for the school year 2015-2016. I understand that my down payment holds my child's spot and it is put towards the full tuition, which reduces the monthly payments. I also understand that if I withdraw my child during the school year I must give two months notice to which I am responsible for said tuition fees.
